2-4 STEP 2 Amount of earnings etc. / Amount of income, etc.

According to the types of income, the amount of income is calculated by subtracting deductions from earnings such as necessary expenses, etc. from the amount of earnings in one year.

Business Income page 18 Dividend income page 20 Capital gains page 24 Real estate income Occasional incom∈ ⇒ \Rightarrow page 19 Employment income ⇒ page 21 page 25 Interest income \Rightarrow Miscellaneous income \Rightarrow page 20 page 22

1 Business income (from sales, etc. and agriculture)

Page 1 7012

The business income from sales etc. includes wholesale and retail commerce, restaurants, manufacturing, construction, finance, transport, maintenance, services and any concern whose income derived from business activities.

It also includes the income of doctors, lawyers, writers, actors, professional baseball players, traveling salespersons, carpenters and those involved in fishery or similar enterprises.

Business income from agriculture is defined as deriving from agricultural production, fruit growing, sericulture, rearing of poultry and livestock, and dairy farming.

*Please note that business income may be liable to enterprise tax (see page 54) .

♦ How to calculate income

Total earnings - Necessary expenses

The income amount is calculated in the "Financial statement for blue return [青色申告決算書]" for blue return taxpayers, and the "Statement of earnings and expenses [収支内訳書]" for other than blue return taxpayers.

Those who satisfy both of the requirements below a) and b) are eligible for special treatment in calculating necessary expenses relating to amount of business income or miscellaneous income. For details, see our website "Special treatment for necessary expenditures of home workers, etc. [タックスアンサー 家内労働者等の必要経費の特例]."

- a) Home workers, traveling salespersons, money collectors, electricity meter-readers or people conducting on-going personal services for a specific group of people. (including people conducting on-going personal services for a silver human resource center)
- b) Those whose total amount of (i) earnings from employment etc. and (ii) necessary expenditures related to business income and miscellaneous income is less than 550,000 yen.

How to complete the form

Page 1

- Post each amount filled in the "Financial statement for blue return [青色申告決算書]" or the "Statement of earnings and expenses [収支内訳書]" to the following blocks:
 - (amount of earnings from sales, etc.) or (amount of earnings from agriculture) and (1) (amount of business income from sales, etc.) or (2) (amount of business income from agriculture).
- Post the amount of wages (deductions) for family employees filled in the "Financial statement for blue return" or the "Statement of earnings and expenses" to the block \$\mathbb{G}\$, and the amount of the special allowance for filing a blue return to the block \$\mathbb{G}\$.

Page 2

- Fill in the "statement of income (withholding income tax and special income tax for reconstruction) [所得の内訳 (所得税及び復興特別所得税の源泉徴収税額)]", if applicable.
- Write the following information in the blocks headed "Items concerning family business employees [事業専従者に関する事項 ⑤],":name of family business employee(s), the individual number (My-Number), relationship, date of birth, number of months employed and frequency of work (those filing a white return only), nature of business (those filing a white return only), amount of wages (deduction) for family employee(s).

^{*}This section explains about the income subject to the aggregate taxation (see page 10).

2 Real estate income Page 1 ②③

The real estate income includes income derived from leasing of land, building, property rights on real estate, ships, aircraft, etc.

The key money, contract renewal fees and transfer fees of title when leasing real estates are also classified as the real estate income.

Please note that income from real estate may be liable to enterprise tax. (see page 54).

How to calculate income

Total earnings - Necessary expenses

The income amount is calculated in the "Financial statement for blue return [青色申告決算書]" for blue return taxpayers, and the "Statement of earnings and expenses [収支内訳書]" for other than blue return taxpayers.

♦ How to complete the form

Page 1

- Post each amount filled in the "Financial statement for blue return [青色申告決算書]" or the "Statement of earnings and expenses [収支内訳書]" to the following blocks;
 - (amount of earnings) and (amount of income).
- Post the amount of wages (deductions) for family employees filled in the "Financial statement for blue return" or the "Statement of earnings and expenses" to the block 65, and the amount of the special allowance for filing a blue return in field 66.

Page 2

• Write the following information in the blocks headed "Items concerning family business employees [事業専従者に関する事項(⑤)],":name of family business employee(s), the individual number (My-Number), relationship, date of birth, number of months employed and frequency of work (those filing a white return only), nature of business (those filing a white return only), amount of wages (deduction) for family employee(s).

Interest on liabilities incurred to acquire land

If you have a deficit in your real estate income and have included the "amount of interest on liabilities incurred to acquire land" in calculating necessary expenses, fill in the following amount in the block ③ in accordance with the following classification. In this case, indicate "🍎" at the beginning of the amount filled in here: the block ③ on the Page 1.

- 1. In the case the amount of interest on liabilities incurred to acquire land exceeds the amount of deficit in your real estate income: "0."
- 2. In the case the amount of interest on liabilities incurred to acquire land does not exceed the amount of deficit in your real estate income: the amount of deficit except for the amount of interest on liabilities.

As for the amount of interest on liabilities incurred to acquire land, see "How to fill out the statement of earnings and expenditure (for the real estate income) [収支内訳書(不動産所得用)の書き方]," or "How to fill out financial statement for blue return (for the real estate income) [青色申告決算書(不動産所得用)の書き方]."

Income such as interest paid abroad on deposits etc., which is not subject to the Japanese withholding, or interest on corporate bonds issued by a family company that is paid out to shareholders etc. that served as the basis of the categorization as a family company falls into the interest income subject to the aggregate taxation.

- *1 Interest on deposits or savings, bonds other than specified bonds (see page 57), and privately offered bond investment trusts, etc. are subject to the separate taxation at source (see page 10), so these items cannot be filed.
- *2 Interest etc. subject to the aggregate taxation is not eligible for the separate self-assessment taxation.

How to calculate income

Total earnings = Amount of interest income

The amount of interest income is the same as that of earnings.

♦ How to complete the form

Page 1

• Write the amount of earnings (income) from interest in the following blocks; ① and ④.

Page 2

 Write the applicable items in each block of "Statement of income (withholding income tax and special income tax for reconstruction) [所得の内訳 (所得税及び復興特別所得税の源泉徴収税額)]."

4 Dividend income subject to the aggregate taxation

Page 1 **(7)**(5)

The dividend income includes income of dividends of surplus received from corporations and distribution of profit from investment trusts (excluding bond investment trusts and publicly offered bond investment trusts).

For the dividend income related to dividends etc. from listed stocks, etc. (excluding those for major shareholders, etc.), you can choose to apply whether the aggregate taxation or the separate self-assessment taxation (see page 56). When you choose to apply the separate self-assessment taxation, fill out the Page 3 (separate taxation form) etc. in addition to the Page 1 and 2.

For details, access our website "The method (example) for filing income from transfer of shares, etc. [株式等の譲渡所得等の申告のしかた(記載例)]".

ONon requirement of filing tax returns concerning pension recipients

You are not required to file a return for income tax etc. if (a) your amount of earnings from public pensions is 4,000,000 yen or less, (b) all the pensions you received are subject to the Japanese withholding (excluding ones that are covered by the provision in Article 203-7 of the Income Tax Act (public pensions, etc. not subject to the Japanese withholding), and (c) your amount of income (excluding miscellaneous income from public pensions, etc.) is 200,000 yen or less.

- * Even if you are not required to file a return for income tax etc., you are required to file a return for income tax etc. in order to receive refunds of income tax etc.
- For the inhabitant tax, see page 65.

The capital gains subject to the aggregate taxation include income derived from transfer of golf club memberships, gold bullion, ships, machinery, patent rights, fishing rights, paintings, curios and other objects of art, and precious metals, etc.

Short-term capital gain is income derived from transfer of assets held for not more than five years; long-term capital gain is income derived from transfer of assets held for more than five years.

Please note that capital gains from transfer of land, leasehold rights, or capital gains from transfer of shares are subject to separate self-assessment taxation (see page 10). In this case, fill out the Page 3 (separate taxation form) etc. in addition to Page 1 and 2.

Aggregation of profit and loss

If you have deficits in the business income, the real estate income, the timber income or the capital gains subject to the aggregate taxation, you may deduct the deficit from other categories of income that are not in deficit. This is called "aggregation of profit and loss".

Please pay attention to the following points when aggregating profit and loss:

- (i) If you do not have the capital gains subject to the aggregate taxation or the occasional income, but you do have a deficit in any of the boxes from ① to ③ on the Page 1, you must add up the figures for each type of income as they are.
- (ii)In the cases that differ from note (i) above, the calculations will become complicated. Please contact the nearest Tax Office instead. In the case that you have incurred losses in several kinds of income, you may use "Calculation form for aggregation of profit and loss [損益の通算の計算書]".
- (iii)As a rule you can't deduct the deficit of the transferring golf club memberships, etc. from other categories of income.
