For the people who use the statistical tables

Notes on use

1 Administrative review

The statistical tables show the statistics of administrative protests filed under General Law of National Taxes and Administrative Appellate Law

(except for Law Concerning Access to Information Held by Administrative Organs) during FY2008. The cases are classified into ① request for reinvestigation, and ② request for reconsideration.

2 Litigation case

The statistical table shows the statistics of litigation cases related to taxation or collection-related matters (collection and procedure for collection of tax delinquency) during FY2008 which involved the government, Regional Commissioner, or Director of Taxation Office as a party concerned or an intervener. The cases are classified into ① the cases where the government is the defendant (taxation or collection-related matters), and ② the cases where the government is the plaintiff (collection-related matters).

The classification of plaintiff and defendant is based on the classification in the court of first instance.

3 Direct national tax crime (criminal investigation)

The statistical tables show the statistics of dispositions based on National Tax Violations Control Law related to tax crimes for direct national tax during FY2008.

4 Indirect national tax crime

This statistical table shows the statistics of activities based on National Tax Violations Control Law related to tax crimes for indirect national tax during FY2008. The activities are analyzed from the following view points. ① Statistics of arrest and procedure, ② Statistics of notification procedure and fulfillment, ③ Statistics of arrest by type of violations of liquor tax, ④ Number of arrests by type of violations of consumption tax

5 Information Returns

The statistical tables show the statistics of data collection of information returns and documents other than information returns, and the statistics of audit on submission of record of payment of compensation for real estate, etc. acquired from July 1, 2008 to June

6 Tax consultation

The statistical tables show the statistics of reception of tax consultation, and the statistics of use of Taxanswer during FY2008.

7 Certified Public Tax Accountant

The statistical tables show the numbers of examinees and successful candidates of Certified Public Tax Accountant examination, the number of registrations of Certified Public Tax Accountant, the number of members of each Certified Public Tax Accountants' association, and the statistics of enrolled lawyers, enrolled law corporations and certified public accountant with license at the end of FY 2008.

8 Yearly comparison of items of taxation suspended for a while since 1998

The statistical tables show the statistics of taxation of tax items which were suspended for a while since 1998.
